

PERIODIC LANE CLOSURES ON MT HOPE RD NEXT WEEK

Throughout next week (6/7), periodic lane closures will take place on Mount Hope Road between Forner Lane and Tower Lane. These closures are necessary in order to complete watermain construction for the Carver Water Treatment Plant project. Flaggers will direct and maintain traffic during these lane closures.

If you have any questions or concerns, please reach out to Michael Jabs at 612-269-9970 or Michael.Jabs@bolton-menk.com.
