- We ask that no campaign buttons or campaign tee-shirts be worn in this room and that no signs or literature be distributed. Campaign literature can be made available outside this room.
- Please remain as quiet as possible while the candidates are speaking so that everyone can hear and please **hold your applause until the end of the forum** so that candidates will have the maximum time to respond to your questions.
- Please silence your cell phones and any other electronics so they do not cause distraction during the event.
- This Forum is being recorded and the link will be available on the LWV Eastern Carver County Facebook page and the venue website. It is the League's policy to tape the entire candidate forum, without editing, so that citizens will see the event in its entirety and not just selected scenes or sound bites.
- You are welcome to submit as many questions as you would like. Note cards are available for this purpose. Just hold up your card and an usher will collect them throughout the forum.
- Questions should help define a candidate's position on issues concerning the office to which they seek election. Questions that are unclear, hostile, or of a personal nature will not be asked. Those that fall into the same general area may be consolidated to allow us to cover as many topics as possible in the allotted time. All questions become the property of LWV Eastern Carver County.
