

WATER TREATMENT FACILITY EXPANSION PROJECT CONSTRUCTION NOTICE

February 19, 2021

Beginning the week of February 24, crews will be on site to install stakes in preparation for utility work. After the stakes are in place, crews will be on site the week of March 1 to remove excess brush and trees. This work may require temporary lane restrictions and flaggers on the roadway but will not affect access along Jonathan Carver Parkway. Flaggers will be on site to direct traffic when lane restrictions occur.
